

How can I help?

1. **Come along and enjoy the day!** The fair is to bring our wonderful school and wider community together. So tell your friends and family and come along!
2. **Become a sponsor.** Do you own a local business and are interested in becoming a sponsor? We'll provide some great exposure via our website, social media, print and on the day. Please consider this, our contact details are below.
3. **Sell a book of Raffle Tickets.** Each family will receive a book of raffle tickets soon. We have plenty more available so if you can sell more we can supply them to you! The class that sells the most raffle tickets this year will get a special prize. This will be announced at assembly soon!
4. **Make a Donation**
 - Trash'N'Treasure – We will be asking for donations for the trash'n'treasure in the next few weeks. Now is a great time to start cleaning out the kids toys, wardrobes, book shelves, kitchens, garages and donate items you don't need or want anymore.
 - To your class hamper – Each class will be asked to put together a hamper to go into the silent auction. Details out soon!
 - Make something for the Cake Stall – Requests for cake stall donations will come out at the end of term.
5. **Volunteer on the day.** The volunteer roster will be released later this term. Please consider completing a shift on the day.

Thanks again to our school community for all their fantastic support!
